(5×2 = 10 points)

This is my cousin, Arda. He is fifteen years old. He is tall and slim. He has got short, curly black hair and big brown eyes. He wears glasses. He is very hard-working and clever, so he always gets good marks. He is also funny, he tells jokes all the time. But sometimes he is a bit forgetful – he often forgets his keys at home! My sister Nil is different. She is short and has got long, straight blonde hair and green eyes. She is shy but very kind.

6. Is Arda short?
7. What does Arda's hair look like?
8. Why does Arda always get good marks?
9. Which adjective shows that Arda forgets things?
.....
10. What colour are Nil's eyes?

C Look at the table and complete the sentences.
